Daily Staff Meeting

Tuesday, 17 April 1951

Mr. Jackson suggested that  in O/SI, might be useful to General Truscott.

It was reported that an answer had been received from the Department of Defense on the requirements letter of December 26.

Mr. Jackson said he would clear with the Director the extent to which we should go with the

Mr. Reber said that O/NE wished to attend a NATO conference in London and had also asked to be allowed to go to tri-lateral military conference in Singapore. Mr. Jackson said he did not consider it appropriate for CIA to try and inject itself into others conferences and asked Mr. Reber to give him a memo on the subject.
